## Williams, Fluoride Win

### Heseltine, Hill New On Town Boards

Atty. Arthur Williams will once again gavel the town meeting to order Saturday morning, as a result of a stunning victory over the challenge of Philip K. Allen for the post of moderator in Monday's annual town election.

Williams withstood the challenge of the retiring selectman by outpolling Allen 3,630 to 2,461, in one of the major races of the day which saw a turnout of slightly over 50 percent of the registered voters.

In the other election issue, capturing particular attention in the town, the controversial chemical-fluoride - remained in the water supply by the approval of 4,301 voters, as opposed to 1,892 who wanted it out of the public water supply.

A new selectman, George Heseltine, and a new school committeeman, Francis J. Hill, Jr., were also elected as 6,444 of the town's 11,561 braved a rather stormy day to signify their choices for town leadership.

Also elected, in contested races, were incumbent Robert A. Watters

on the board of selectmen and Dr. Richard A. Katz to school committee.

The moderator race was watched closely, and the results were somewhat surprising to some political observers.

Allen had announced that he

## New Boards Organize

New members of municipal boards elected Monday, participated in their first official meetings Tuesday night and participated in reorganization procedures.

Robert A. Watters, re-elected Monday to a third three-year term on the board of selectmen, was re-elected as chairman of that board on motion of Selectman Sidney P. White, seconded by Selectman Roger W. Collins.

George E. Heseltine, who led the ticket in the selectmen's race

**YOUNG VOTERS.** Two youngsters get an early start in learning the Democratic process as their parents cast ballots in Monday's election. The youngster at the left seems more interested in the surroundings, rather than the election, while at the right, the tot aims particularly for security.

## Gilchrist's To Locate In Center

Gilchrist's, one of New England's leading department stores, plans to be the major tenant in Andover Shopping Mall, proposed new regional shopping center in West Andover, it has been announced by owner-developer A. J. Tambone of Reading.

According to Tambone, lease negotiations are also in progress with a number of other prospective tenants and groundbreaking for the shopping center is anticipated in the late summer or early fall of this year.

Commenting on stories circulating a few weeks ago that new plans called for construction of only half of the shopping center in Andover and the other half in Tewksbury, Tambone said, "That apparently was a misunderstanding."

(Continued on Page Three)

## Taxpayers Set Rate Saturday

Andover taxpayers have the opportunity to carve out their tax rate for the current year beginning at 9:30 a.m. Saturday in Memorial Hall auditorium when the 1970 annual town meeting will convene.

Tax rate increase predications range from \$7 to \$9, as town officials and Finance committee members continue to examine budget and special article requests right up to the last minute. FinCom members have been meeting almost nightly for lengthy hours in an effort to trim the tax rate increase to as low as possible.

The FinCom, in its report, has recommended a municipal budget of \$11,562,184, half of which is for operation of the public schools.

The budget represents an increase of 11.78 per cent over that of a year ago, and contains several built-in factors in the matter of salaries, increased personnel and bonded indebtedness incurred through capital projects contracted in prior years.

(Continued from Page 13)

## Insurance Firm Says Thanks

(See related story on back page)

An insurance firm, sections of its home office ravaged by fire last week, expressed its appreciation to the Andover fire department and assisting communities this week.

The Andover Companies, a major insurance firm was struck by an early morning fire last Thursday morning, causing a half-million dollars in damage to its property.

This week, Edward G. Nichols, president of the firm, presented to Fire Chief Henry L. Hilton a

## Do Not Bend, Spindle Or Mutilate

By Robert E. Finneran  
Managing Editor

The computer age is upon us, of this there is no doubt.

We as humans have been reduced to numbers, punch cards, and just a complete reduction of personal being.

There is one hitch, however, Charley, the computer, is a dignified, sophisticated chunk of machinery that accepts nothing but a perfect product, as evidenced by the processing of the election returns Monday night.

Chucky the computer, whose blinking eyes, whirring tapes, chattering sorting mechanisms, is comparable to the zealous housewife who would hardly let a particle of dust fall upon a table.

Everything has to be just perfect, otherwise, Chuck just won't have

anything to do with a punched card. We often wondered about all those punch cards which straight-forwardly order you not to bend, spindle or mutilate. It was almost like the challenge issued on a book of matches warning to be sure not to strike before closing cover.

It's like that daring label on the bottom of the mattress or new overstuffed chair which explicitly orders, "do not remove."

Well, that warning about bending, spindling and mutilating a computer card is for real, as was evidenced by the electronic voting system in Andover Monday. Aimed at speeding up the elec-

tion return process, it would have, had not some problems resulted in the punching of the cards, removal from the machines and placing them in the envelopes for processing.

It seems a computer can get pretty temperamental when things

### Political Advertisement

#### To The Voters of Andover:

The voters of Andover have spoken, and the election is over. It now remains to further the best interests of the Town; this deserves the wholehearted cooperation of all concerned.

To each voter who cast his vote for me, I say "thank you." And to the winners in the race for Selectman: my congratulations and best wishes for the future.

Sincerely,  
Milton Greenberg  
46 Sagamore Drive, Andover

### THANK YOU!

I wish to thank the voters of Andover for the faith they displayed in my candidacy for Selectman at the polls last Monday. I shall dedicate my efforts to the best interests of Andover. My thanks, too, to the many, many workers who contributed so much effort in my behalf.

was World War I veteran of the British Army.

He is survived by a daughter, Mrs. Marguerite Maxwell of Andover, a son, Lindsay R., of Andover; two brothers, Andrew of Detroit, Mich. and Louis of Arbroath, Scotland; five sisters, Mrs. James Walker of Andover, Mrs. James Martin of Motherwell, Scotland; Mrs. Richard Sumner of Windsor, Ontario and Mrs. Matthew Ferguson of Brooklyn, N.Y., five grandchildren and seven great grandchildren.

Funeral services will be held Friday at 2 p.m. at the Lundgren funeral home, 18 Elm St. Rev. J. Allyn Bradford, minister of Free Christian church, will officiate. Burial will be in Spring Grove cemetery.

Friends may call at the funeral home today from 2 to 4 and 7 to 9 p.m.

**MRS. R. W. ECKFELDT, JR.**  
Mrs. Gertrude (Macaulay) Eckfeldt, 42, wife of Dr. Roger W. Eckfeldt, Jr., 2 Chadwick Circle, died unexpectedly Thursday, Feb. 26. She was stricken at home and taken in the fire department ambulance to Lawrence General Hospital where she was dead on arrival.

She was born in Baltimore, Md., May 17, 1927 and resided in Andover since June 1936.

Mrs. Eckfeldt was a graduate of the Boston City Hospital School of Nursing, Class of 1951, and attended Framingham State College for two years prior to entering nursing.

Her other activities included working for the benefit of the New England Home for Little Wanderers and as a volunteer nurse for the Red Cross Bloodmobile program.

## OBITUARIES

She was a member of Christ Episcopal Church and the alumnae association of the Boston City Hospital School of Nursing.

Surviving besides her husband are two daughters, Patricia F. and Karen Eckfeldt; her mother, Mrs. Frederick Macaulay of Andover; and a sister, Patricia M., wife of Michael Hooley of Dedham.

Services were held Monday at 11 a.m. in Christ Episcopal Church.

Memorial gifts may be made to the Home of Little Wanderers, 161 South Huntington Ave., Roxbury, or the Trudy Eckfeldt Memorial Fund at Christ Episcopal Church.

**MRS. F. EDWARD BROWN**

Mrs. Grace B. (Cheever) Brown, 85, 9 Bancroft Road, widow of F. Edward Brown, died Saturday, Feb. 28 at Woodland Nursing Home, Methuen, after a short illness.

She was born Sept. 12, 1884, the daughter of the late George F. and Alice M. (Bancroft) Cheever, and was a former resident of Natick. She resided in Andover 11 years.

Mrs. Brown was a graduate of Pynchard Free School, Andover, and Cannon Commercial College, now Bryant and McIntosh. She attended South Church.

Surviving are a brother, Fred E. Cheever of Andover; and a niece, Mrs. Aaron Cohan of California.

Services were held Tuesday at 3 p.m. at the Lundgren Funeral Home, 18 Elm St. Burial was in Spring Grove Cemetery.

**MRS. EDMOND C. EDMANDS**

Mrs. Mary C. (Findley) Edmands, 82, 32 Maple Ave., a Gold Star Mother, a former Andover reporter for the Eagle-Tribune and retired matron of the former Andover Town Infirmary, died Monday at Clover Hill Hospital, Methuen. She was the widow of Ernest C. Edmands.

She was born in Andover, March 16, 1887 and was a descendant of Joshua Phelps of Andover, active during the Revolutionary War. She was a charter member and organizer of Priscilla Abbot Chapter, Daughters of American Revolution.

Mrs. Edmands' journalistic career also included that of reporter for the Lawrence Telegram and was a proof reader for over 20 years at the Andover Press.

A son, Lt. Comdr. Allan C. Edmands, U.S. Navy, was killed in action during World War II aboard the aircraft carrier Franklin.

She was a member of Andover Post 8, American Legion Auxiliary and the Courteous Circle of the King's Daughters. She served as a volunteer worker at the Andover Thrift Shop.

Surviving are a daughter, Jean E., wife of Roland Weeks of Andover; a son, Comdr. Ernest J. Edmands, USN retired, of Virginia Beach, Va., an assistant professor at the Thomas Nelson Community College in Virginia; nine grandchildren and six great-grandchildren.

Services will be held today at 1:30 p.m. at the Lundgren Funeral Home, 18 Elm St. Burial will be in Spring Grove Cemetery.

**JOSEPH GODEK**  
Joseph Godek, 5 Chestnut Lane, a retired Wood Mill weaver died Sunday, March 1, at his home after a long illness.

He was born in Poland and was a member of the Polish National Catholic Church, the Polish National Home and the Pulaski Club.

Surviving are two sons, Stanley and Walter Godek, both of Andover; five grandchildren and a brother, Michael Godek of Poland.

The funeral was held Wednesday from the Eugene P. Rosinski Salem Street Funeral Home, 81 Salem St., Lawrence, with a 9 a.m. high Mass in Polish National Catholic Church. Entombment will be in Bellevue Cemetery, Lawrence, with burial in the spring in Polish National Cemetery, Methuen.

**CHESTER C. CHILSON**

Chester C. Chilson, 11 Gleason St., formerly associated with Hornblower and Weeks-Hemphill Noyes, Boston investment firm, died Wednesday, Feb. 25, at Clover Hill Hospital after a long illness.

He was also formerly employed by the American Woolen Co.

A Norwood native, he was a World War II veteran and served with the Army in the European Theater. He was a graduate of Boston University and was a member of Christ Episcopal Church.

Surviving are his wife, Shirley (Davis) Chilson of Andover; a son, Richard S., a sixth grade pupil at West Andover Junior High school and an aunt, Mrs. Frederick W. Orrell of Glendale, R.I.

Private services were held Saturday. Burial was in West Parish Cemetery.

**KENNETH B. MOZEN**

Kenneth B. Mozen, 73, 39 Richardson Ave., North Andover, died Tuesday at Lawrence General hospital following a long illness.

Born in Lawrence, he was a long time resident of Andover and played in the American Legion and Andover Brass bands.

He was a retired compositor for the Andover Press and held membership in the International Typographical Union, Local 51, of Lawrence. He was a U.S. Army veteran of World War I.

He is survived by a daughter, Marilyn M., wife of Bruce E. Douglass of Andover, two brothers, Herbert of Sarasota, Fla. and Harold of Kittery Point, Maine, a sister, Gertrude of North Andover, and two grandchildren.

Private funeral services will be held at the Lundgren funeral home, 18 Elm St., Friday morning. Rev. J. Allyn Bradford, minister of Free Christian church will officiate. Burial will be in Spring Grove cemetery.

Friends may call at the funeral home tonight from 7 to 9 o'clock.

## A Tribute To Doherty

**HONORED.** William A. Doherty, left, was honored by the school committee Tuesday night in recognition of his 39 years service on the board. Doherty did not seek re-election this year. Presenting Doherty with a plaque and a silver bowl is Dr. Richard A. Katz, chairman of the committee. In his 39 years on the board, Doherty missed only one meeting due to illness.

Affection, respect, good humour, and poetry marked the tribute to retiring committeeman William A. Doherty, which opened the scene at the school committee meeting. Chairman Richard A. Katz presented a plaque, and a Paul Revere silver bowl engraved with the extraordinary span of 1931 - 1970, the longest continuous service of any school committeeman in Massachusetts.

Katz said that Bill's faithfulness and devotion had served this town so long and so well that there was scarcely a way to express it. The entire committee chuckled over the further tribute that Bill's disagreements "have always been interesting . . . and always honest."

This theme was echoed in tributes read by two high school music students who accompanied Principal Philip Wormwood for

the ceremony.

Four selections written by music students at the high school noted him as "the man who hears a different drummer," and hailed his help as "father of the band" and friend.

The hail and farewell ended with Bill's parting shot to the committee: "Now you haven't got me to fight with anymore, you can fight between yourselves," affectionate laughter, a wave of the hand, and he was out the door.

### GILCHRIST'S

(Continued from Page One)

"The original plan called for about 80% of the shopping center to be located in Andover and the remainder in Tewksbury," he explained. "Our new plan calls for 90% of the center to be in Andover, with consequent increased tax return to Andover. In fact, we would like to put as much of the center in Andover as the available properly-zoned land will allow."

Located at the Route 495 interchange on Route 133, which connects Lowell and Lawrence, the new shopping center would be only about a mile from Route 93. "The rapid development of the highway system and the accompanying population growth has resulted in a need for a new regional shopping center to serve the area northwest of Boston," Tambone pointed out. "We're confident that our new venture -- a modern climate-controlled enclosed shopping mall -- will satisfy that need."

Tambone also owns about 400 adjoining acres in Tewksbury and recently acquired just under 100 acres of residentially-zoned land in Andover.

His company, A. J. Tambone, Inc. is owner-developer of Wilmington Industrial Park on Route 93.

## Rep. Cronin May Issue Statement

Rep. Paul W. Cronin has promised to make a statement relative to his hospitalization and absence from the vote on the house cut made in the legislature last week.

The Andover Republican entered Carney hospital in Boston last week for surgery on his neck and shoulder, but had not been operated on at the time the vote was taken on cutting the size of the legislature.

Cronin said he will make a statement on the matter either Thursday or Friday of this week. Cronin entered the hospital, Monday, Feb. 23, two days prior to the taking of the vote on cutting the size of the legislature. As of Friday, Feb. 27, he still had not undergone surgery.

There were reports that Gov. Francis W. Sargent would have moved to postpone action on the bill in order to allow Cronin's return.

Reportedly, Sargent called Cronin to his office and asked him to be present for the vote. Cronin said it would take five to six months to reschedule the surgery and reportedly refused an offer made by the governor to contact the surgeon.

Many Andover residents have expressed disappointment in the ambitious legislator that he did not vote, or speak out on the issue.

He has had support of the League of Women Voters which was pushing for the house cut bill.

Cronin is actively campaigning

for county reform and was the subject of a lengthy article in a Boston newspaper Sunday.

That he was unavailable for the vote or comment has left a bit of a tarnish at the moment, it would appear from comment on the street.

His promised statement is awaited.

## Warriors Surprise In Tech

### In Finals

A strong second half effort and heroics by Dave Hixon in the closing minutes put the Golden Warriors into the Class C Tech tournament finals Tuesday afternoon as they downed Abington High school, 51-42.

Trailing at half time, the Warriors came back strong in the second half, both on defense and offense, outscoring their opponents, 14-7 in the third quarter and 17-11 in the final quarter.

Hixon put the team ahead to stay in the late stages of the game with a jump shot from the key then followed up with some vital steals of Abington passes to keep control of the ball and the game.

Co-Captain Paul Howe was high scorer in the game with 17 points.

Andover High now faces Case High of Swansea Saturday night at 6:30 p.m. in Boston Garden for the Class C title.

By Rick Harrison

It was an excellent week of post-season activity for the Andover High basketball and hockey teams.

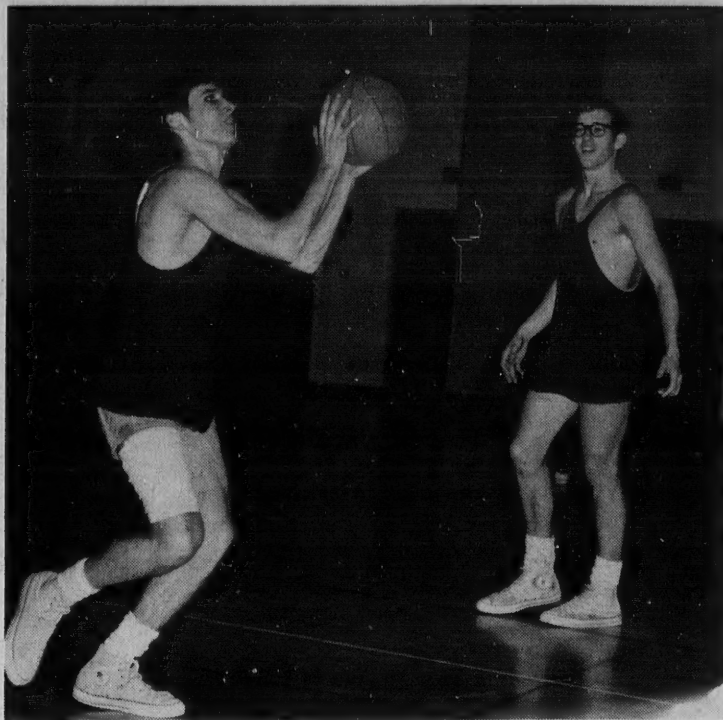

Coach Wil Hixon's cagers collected a pair of victories in the Eastern Mass. Tech Basketball Tournament, while Coach Charlie Vars' hockey club advanced to the Merrimack Valley Hockey League playoff finals.

The hoopsters posted an incredibly lopsided 79-34 victory over Dom Savio in the preliminary round of the Tech's Class C action, and then upset Class C pre-tourney favorite Lynn Trade by a 53-49 count.

The Golden Warriors "game" with Dom Savio was never really a contest. Andover exploded for a quick 11-1 lead in the opening minutes of play, and by the close of the first quarter they were on top, 20-7.

Andover continued to pour it on in the second period, using a devastating fast break and complete domination of the offensive and defensive boards to grab a commanding 47-13 halftime edge.

Even when Coach Hixon inserted his reserves in the third stanza, the Golden Warriors continued to pull away. The score read 65-24 after three quarters. Andover then held a somewhat slimmer 14-10 scoring edge in the final eight

**WARRIOR LEADERS.** Co-Captains Dick Muller, left and Paul Howe have been leading the Andover High basketball team to great heights this season. Underdogs going into the Mass. Tech tournament, the local club will go into the finals Saturday night at 6:30 at Boston Garden.

minutes of play.

A total of 15 players saw action for the winners. As usual, Co-Capt. Dick Muller was the top scorer with 18 points - 12 of them from the free throw line. His biggest quarter was the second, when Dick canned 10 points.

Following Muller in the scoring parade were Co-Capt. Paul Howe with 14 points, big 6'7" center Shawn Mason and Neal Davis with 11 points apiece, Dave Hixon nine points, Tom Adams six, and Eiff Moriarty, Steve Alexander, Karl Nilson and Chris Post two points apiece.

Also seeing action were Art Nichols, Lem Lanier and Jim L'Italien. Mason, Davis and Howe combined to block numerous Savio shots.

The Lynn Trade quarter-final contest was a completely different story. Trade entered the game with a perfect 20-0 record, a decided height advantage over Andover, and the added incentive of being ranked No. 1 on the Class C list.

The Golden Warriors disregarded all these credentials in a fabulous team effort. Paul Howe whose four points in the final 20 seconds snapped a 49-49 tie, was immense with 20 points and a host of rebounds against the tall Traders.

Shawn Mason played a great defensive game, sunk five clutch free throws towards the end, and did a fine job off the boards.

Scrappy little sparkplug Tom Adams came off the bench early in the game and ignited the entire Andover club from that point. He played a tremendous floor game with a number of key steals and assists, while also dropping through 10 big points.

Muller turned in another steady performance with 13 points, while Mason finished with eight markers and Neal Davis had a pair of free throws.

Neither team was able to open up more than a four-point bulge throughout the entire game. Andover was on the short end of the score until early in the second half, when it rallied to take a very slim lead.

Lynn Trade led 14-12 after one

quarter and 30-26 at the half. Andover came back to knot proceedings 39-39 after three periods, and then the Golden Warriors pulled through in the stretch with a 14-10 last stanza scoring spread.

With the score tied at 49-49 and about 50 seconds left, Andover gained control and carefully worked the ball down court. With about 30 seconds remaining, Muller saw a bit of daylight and drove down the middle for a lay-up. The shot was no good, but Howe tipped the ball through for a 51-49 Golden Warrior edge.

Seconds later, Andover retained possession of the ball by controlling a key jump ball situation, and Lynn Trade fouled Howe in a desperation move with just seconds remaining. Howe calmly sank both charity tosses to put the game out of reach.

Andover won the game at the foul stripe, sinking 19 of 26 shots to 11 of 19 for Trade. The Lynn quintet held a 19-17 edge in field goals.

## Contract Agreements Reached

Agreement has been reached on  
the contract with the Andover Edu-  
cation Association, Mrs. Virginia  
Cole told the school committee  
Tuesday.

The committee approved the  
contract unanimously and expects  
to go into town meeting with a  
signed contract.

AEA negotiators and officers  
have called a meeting of their  
organization for Thursday, to  
ratify the final agreement reached  
last Friday. School committee  
members plan to sign the con-  
tract Thursday evening.

The final areas of contention  
were settled, as predicted by the  
TOWNSMAN, by a raise of \$1.50  
per point in teacher's extra cur-  
ricular pay, and the final step of  
the master's scale was given \$100  
hike asked by the AEA.

Negotiators were Mrs. Virginia  
Cole, plus Daniel Frishman, for  
the School Committee, and Mrs.  
Helen Enman of West Junior High,  
aided by Douglas Walshe of the  
High School.

Representative for the adminis-  
trators was Ed Regan, the Shaw-  
sheen Principal who has just been  
named the new principal of Cen-  
tral Elementary School.

### BUFFET SUPPER

At seven p.m. on Tuesday, March  
10, a buffet supper will be held  
for the combined "Messiah"  
choruses at the "Briarcliff" Hall,  
Osgood Street, in appreciation for  
their fine performance.

CHILE VACATIONTIME means school and skiing in Andover  
for Maria Eugenia Sotta, this winter and Nancy Reid, 5 Haven  
Drive waxes up the skis for her house guest of two months.

## It's Chilly Here For A Chilean

Hard to believe it's summer  
anywhere this week, in our mid-  
winter snows, but students in Chile  
are on summer vacation right now,  
and a pretty Chilean student is  
spending hers in chilly Andover.

The James Reid family, 3 Haven  
Drive, are hosts for the 10-week  
Andover stay of Maria Eugenia  
Sotta - Fleishman of Santiago,  
Chile.

Maria comes to Andover under  
the auspices of the International  
Youth Star Organization. This  
year the organization has brought  
30 Chilean students to America  
for a tour of the eastern seaboard  
and an opportunity for each to spend  
nearly two months living with a  
Boston area family and visiting an  
American school.

Maria, a petite 16-year-old,  
speaks both English and French as  
well as her native Spanish, and

the Reids say that this, and her  
active and outgoing nature, have  
helped to make her a great success  
as a house guest and a student  
visitor at Andover High school.

The end of March will be the  
"end of summer" for Maria,  
time to leave our high school and  
break away from the friendship and  
hospitality of the Reid family, to  
return to Chile.

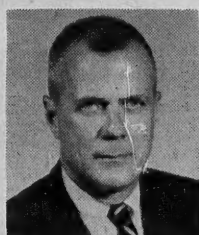

When her Santiago classmates  
ask her, where she went this sum-  
mer, to amuse herself and keep  
cool, Maria can tell them, "We  
went skiing nearly every weekend  
we could."

## Family Living Program Tonight

A program to explain and dis-  
cuss the curriculum plans for  
Family Living and Human Sexual-  
ity will be held tonight, starting  
at 7:30 p.m. at the high school.

A typical classroom situation  
will be simulated to enable parents  
to understand this program. The  
general public is invited.

Subscribe to the TOWNSMAN

## REAL ESTATE CORNER

by Warren N. Bixby

How much can - and should - you pay for a house?

Situations vary, of course.  
The old rule is that a family  
can afford a house which costs  
two and a half times their an-  
nual income after taxes. For ex-  
ample, if your net income is  
\$10,000 you should be able to  
afford a house which costs  
\$25,000.

Another, perhaps better, way  
to determine how much you can  
afford to pay is to use the rule  
that your monthly payments on  
the house should not exceed  
your weekly net income, after  
deductions.

The amount of your monthly  
payments will be determined by  
the amount you put as a down  
payment. Be sure you have  
enough savings left after making  
the down payment to meet  
unforeseen emergencies.

Your Realtor can show you  
tables which will help you to  
determine mortgage payments.

Chosen For  
Good Citizen  
Award By D.A.R.

Miss Elizabeth Kyger

Miss Elizabeth Kyger, daughter of Mr. and Mrs. J. A. Kyger of 5 Nutmeg Lane, has been chosen by the students and faculty to be the Good Citizen Girl, sponsored by the Priscilla Abbot Chapter, Daughters of the American Revolution. She will be the guest of the Chapter at their meeting on March 4 and will attend the State Conference on March 10 in Boston, along with Good Citizen Girls from all over the state.

Miss Kyger is the editor of the yearbook, and is also active in the American Field Service Club, the school newspaper, Student Council, and is a member of the National Honor Society. She is interested in basketball, gymnastics and such outdoor sports as swimming and sailing. She has been a camp counselor and a volunteer at the Lawrence General Hospital.

She participated in the Experiment in International Living last summer, staying with a family in Mexico. She plans a trip to Europe this summer and then on to college, majoring in either medicine or psychology.

Documentary  
Film To Be  
Shown At JCC

"High School," a documentary film will be shown at the Jewish Community Center, 580 Haverhill St., Lawrence, on Sunday evening, March 8 at 7 p.m.

"High School," is a controversial documentary film, which was produced by Frederick Weisman, who made such films as "Law and Order," "Hospital" and "Titticut Follies." Mr. Weisman has been applauded and condemned for bringing into the open a visual document of our educational systems, its good and bad. Our youth and their parents feel that the educational systems should hold a high priority in today's changing world.

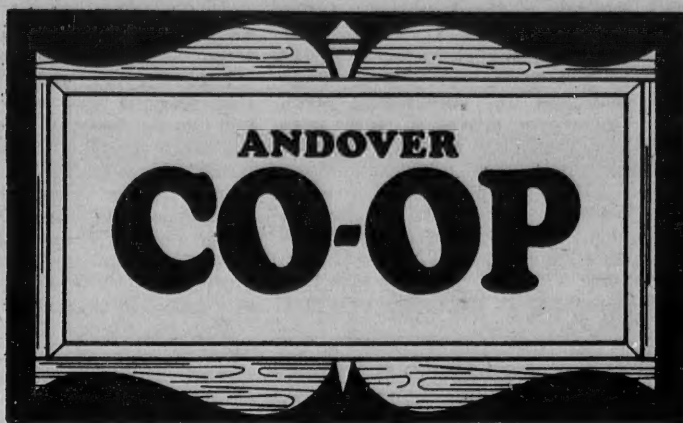

This is a joint venture between the adults and youth of the center. The committee is comprised of: Dr. M. Stuart Berman, Dr. Martin Hoffman, Mrs. Melvin Zaft, Melvin Bloom, Mrs. Mauri Sherman, Mr. and Mrs. Philip Averback, David Rosen, Gayle Kaufman, Cindy Kaufman, Debbie Glasner, David Prolman, David Axelrod, Neil Byers, Steve Traub, Joel Linn, Marcia Silverstein, Myron Flagler, Bill Casey, Nancy Averback, and Rod Hodge of the center staff.

Tickets are on sale at the center or may be obtained from any member of the committee.

Following the showing of the film there will be a panel discussion of educators, community leaders and students, lead by our moderator, Atty. Gerald Lewis.

skaters outlasted Wilmington, 4-3, in a thrilling double sudden-death overtime game in the playoff semi-finals.

The win gave Andover the right to face regular-season champion Burlington for the playoff title this Saturday afternoon at 2:15 o'clock at the Merrimack Valley Forum in Billerica.

An unassisted 30-foot slapshot at 3:01 of the second five-minute overtime by defenseman Mark Hockmeyer proved to be the winning margin in the league's first playoff game to go into overtime.

"Hock" picked up a loose puck just inside the Wilmington blue line, wound up and hummed the hard slapper past Wildcats' goalie Dana Tighe to halt play with 1:59 remaining in the second overtime stanza.

The two teams had battled through a scoreless first period. Andover received a tough break when starting goalie Allan Chapman suffered a badly gashed lip, and several loosened teeth, while making a fine save on a breakaway by Wilmington's Ray York late in the first stanza.

Dean Marshall finished out the first period in the Andover nets. Chapman returned for all of the second canto and most of the third. But he left again, complaining of dizziness, when Wilmington tied it 3-3 late in the third period. Marshall returned to the cage and blanked the Wildcats' for the remainder of the third period, and both overtime sessions.

Wilmington took a 1-0 edge at 0:32 of the second period when sophomore center Pete Tighe pushed in a 10-foot backhand from the middle. The Golden Warriors' tied it 1-1 at 4:58 of the same stanza. Junior Rob Flannery started the play by dumping the puck into the Wilmington zone to high-scoring center Doug Grange.

Grange cruised up the right side and whipped a 25-foot wrist shot through Dana Tighe's pads to light the red lamp.

Only the excellent goaltending of both Chapman and Tighe in the frantic final two minutes of this period kept the score at 1-1.

Andover took a 2-1 edge on a power play goal by Hockmeyer at

1:43 of the third canto. Hock tucked in a five-foot rebound of a 20-foot wrist shot by Grange. Andover Capt. Jan Gottesfeld also had an assist on the goal.

The Wildcats came back to knot the count 2-2 at the 2:14 mark. Chapman came way out of the net to make a fine stop on a breakaway by Wilmington defenseman Mike Esposito, but Dave Irwin trailed the play and lifted a 15-foot rebound shot over Chapman and into the Andover cage.

Grange propelled Andover back into a 3-2 advantage at 4:21 with another power play connection. Hockmeyer and Jim Stewart assisted on the five-foot tip-in. But Steve Catalano re-tied it for the losers at 8:35 of the last period with an unassisted tally.

Catalano swiped the puck at the Andover blue line, came in on the right side and drilled a 30-foot wrist shot into the cage.

At this point Chapman skated off in favor of Marshall. Both goalies made several fine saves as the first sudden death period passed in scoreless fashion. The best stop was by Tighe on a breakaway by Grange at the 1:00 point.

In the second overtime stanza, Andover controlled the action from the outset. Lightning struck at 3:01 when Hockmeyer connected for the winning score. He and Marshall were mobbed by their jubilant teammates as the marathon concluded.

This Saturday's championship final will be followed at approximately 3:30 p.m. by the naming of the two league All-Star squads, the winner of the Most Valuable Player award, and the presentation of the Matthew J. Brown, Jr. Sportsmanship Trophy.

**TO PERFORM**

Kris Forney of 10 College Circle, is a member of the Southern Illinois, University Collegium Musicum which has been invited to perform at the Music Educators National Conference convention in Chicago, March 6.

OPEN TILL 9 P.M. — SAT. TILL 5 P.M. — 683-2775

HAVENHILL ST., RTE. 110  
LOWELL ST.  
ESSEX STREET, LAWRENCE, MASS.

Navy Lieutenant (junior grade) William T. Ober II, son of Mr. and Mrs. Richard T. Ober of 76 Salem St. has made his first solo flight aboard a T34 "Mentor" trainer after five months of intensive academic, military and physical training, including one month of Primary Flight Training with Training Squadron One at Saufley Field, Naval Auxiliary Air Station, Pensacola, Fla.

**Parents League  
Members To  
Attend Meeting**

On Friday, March 6, at 10 a.m. in the Ether Dome of Massachusetts General Hospital, the Parents League of Greater Boston will hold its winter meeting.

Attending the meeting from the Andover - North Andover Parents League will be Mrs. Peter Q. McKee, Mrs. Stephen P. Parson, Mrs. Robert L. V. French, Mrs. Lyman G. Bullard, and Mrs. John C. Young.

**Sorority Ball  
Planned For  
Saturday**

Members of Andover Mu Chapter of Beta Sigma Phi Sorority has completed plans for their fifth annual Pink Champagne Ball.

The dinner-dance event, proceeds of which benefit the Cerebral Palsy Rehabilitation Center, will take place next Saturday, March 7, at the Andover Country Club.

Mrs. Harry Goodwin is general chairman of the ball.

**Local Police  
Apply For  
Drug Course**

Three local police officers have made application for attendance at a special drug education program which will be conducted through the office of Atty. Gen. Robert H. Quinn.

Sgt. Robert Parker attended a preliminary session in which the course was outlined by the attorney general last week.

Quinn outlined to the police officials the goals of the two week program which will get underway, March 9.

The course will deal with not only enforcement procedures, but also psychological aspects of drug use and provisions for treatment and rehabilitation.

In addition to Sgt. Parker, Patrolmen Richard Aumais and Donald Mooers, have made application to enroll in the course once it is underway, according to Police Chief David L. Nicoll.

Sgt. Parker, Patrolmen Aumais and Mooers, have been particularly assigned to investigation of drug problems in the community.

The Merrimack Valley Association For Children With Disabilities will hold a public hearing March 9 at 8 p.m. at the Merrimack Valley United Church. The public is invited to attend.

Russell Page of the Nashua, N.H., will relate his experiences as a child with a hearing disability. His present day data program manager, Dr. Donald Maletta, will also attend.

Dr. Maletta is an associate professor and director of graduate studies in the Learning Disabilities Program of the University School of Education. He is also a "Creative Session" of the advisory committee of the Merrimack Valley Massachusetts Association of the Deaf. He is currently in the process of developing a program of exchange of information and professional consultation.

Dr. Maletta serves as a consultant to parents and professionals interested in the disabilities of the hearing impaired. He is also a member of the national Conference on the Deaf, the American Association of the Deaf, and the Massachusetts Association of the Deaf.

The United States Department of Education has approved passage of S-1190 allowing for \$10 million dollars to be used for research and development of professional training for children and youth with disabilities.

An estimated ten percent of the student population in the United States has some degree of specific language perceptual handicaps. These children are of above average intelligence. Characteristics observed in children with learning disabilities are:

1. Poor visual memory for words.
2. Poor auditory memory for words or for individual words.
3. Persistent reversal of words, syllables or letters.
4. Poor recall of simple geometric shapes.
5. Poor memory for visual sequence.
6. Weakly established sense of time.
7. Clumsiness or lack of control.
8. Immature artistry.
9. Hyperactivity or inactivity.

An executive committee was held Monday afternoon at the home of Mr. and Mrs. Robert Sanborn. Members of the committee included: Dr. Raynold, Mrs. Robert Sanborn, Russell Lawton, Mrs. Neal Mitton, Loscutoff, Mrs. Mrs. Charles Leigh.

**Horse Show  
Held March**

The Rockingham Horse Show at the Andover Country Club, Route 114, on March 15 at 10 a.m. further information contact R. Provencher, Haverhill, 01830. Proceeds of the show will be used to purchase a team of horses for the Andover Country Club. Rally this summer.

## Learning Disability Group Hear 'Dyslexic' Experience

The Merrimack Valley Association For Children With Learning Disabilities will meet Monday, March 9 at 8 p.m. at the Ballard Vale United Church, Ballardvale. The public is invited to attend.

Russell Page of Acton, chapter head of the Nashoba Valley A.C.L.D. will relate his personal experiences as a "dyslexic" to his present day business as a data program manager.

Dr. Donald Maletta of Andover, associate professor and coordinator of graduate programs in Learning Disabilities at Boston University School of Education will moderate a "Cracker Barrel" session. Dr. Maletta is a member of the advisory boards of the Merrimack Valley ACLD and the Massachusetts ACLD. Sessions of this nature have been extremely effective in the past since they allow an opportunity for an exchange of information by parents and professionals.

Dr. Maletta served on a team of consultants to parents and professionals interested in learning disabilities at the Seventh International Conference of the National ACLD held recently in Philadelphia. Several members of the local chapter were in attendance at the conference.

The United States Senate this week approved passage of Bill No. S-1190 allowing for several million dollars to be used for services, research and the training of professional personnel for children and youth with learning disabilities.

An estimated ten percent of the student population is said to suffer from some degree of dyslexia, specific language disability or perceptual handicap. These children are of above average to superior intelligence. Classroom teachers have provided the following characteristics observed in children with learning disabilities:

1. Poor visual discrimination and memory for words.
2. Poor auditory memory for words or for individual sounds in words.
3. Persistent reversals of words, syllables or letters in reading, writing and speech. Rotation or inversion of letters; reversed sequence of letters and syllables; mirror-writing, or transposition of numbers.
4. Poor recall for reproduction of simple geometric forms.
5. Poor memory for auditory or visual sequence.
6. Weakly established handedness.
7. Clumsiness and poor hand control.
8. Immature articulation.
9. Hyperactivity and distractibility.

An executive committee meeting was held Monday evening at the home of Mr. and Mrs. Neal Mitton. Members of the committee include: Dr. Raymond E. Sparks, Mrs. Robert Sanborn, Mrs. C. Russell Lawton, Martin Sanborn, Mrs. Neal Mitton, Mrs. James Loscutoff, Mrs. Richard Page, Mrs. Charles Leigh, Dr. Edward

### Horse Show To Be Held March 15

The Rockingham Pony Club is sponsoring an Indoor - Open Horse Show at the Andover Riding Academy, Route 114, North Andover, on March 15 at 9:30 a.m. For further information or class list contact R. Provencher, 105 Lake St., Haverhill, 01830.

Proceeds of this show will assure a team of children and their horses attendance at the Regional Rally this summer.

### Friendly Circle Birthday Party

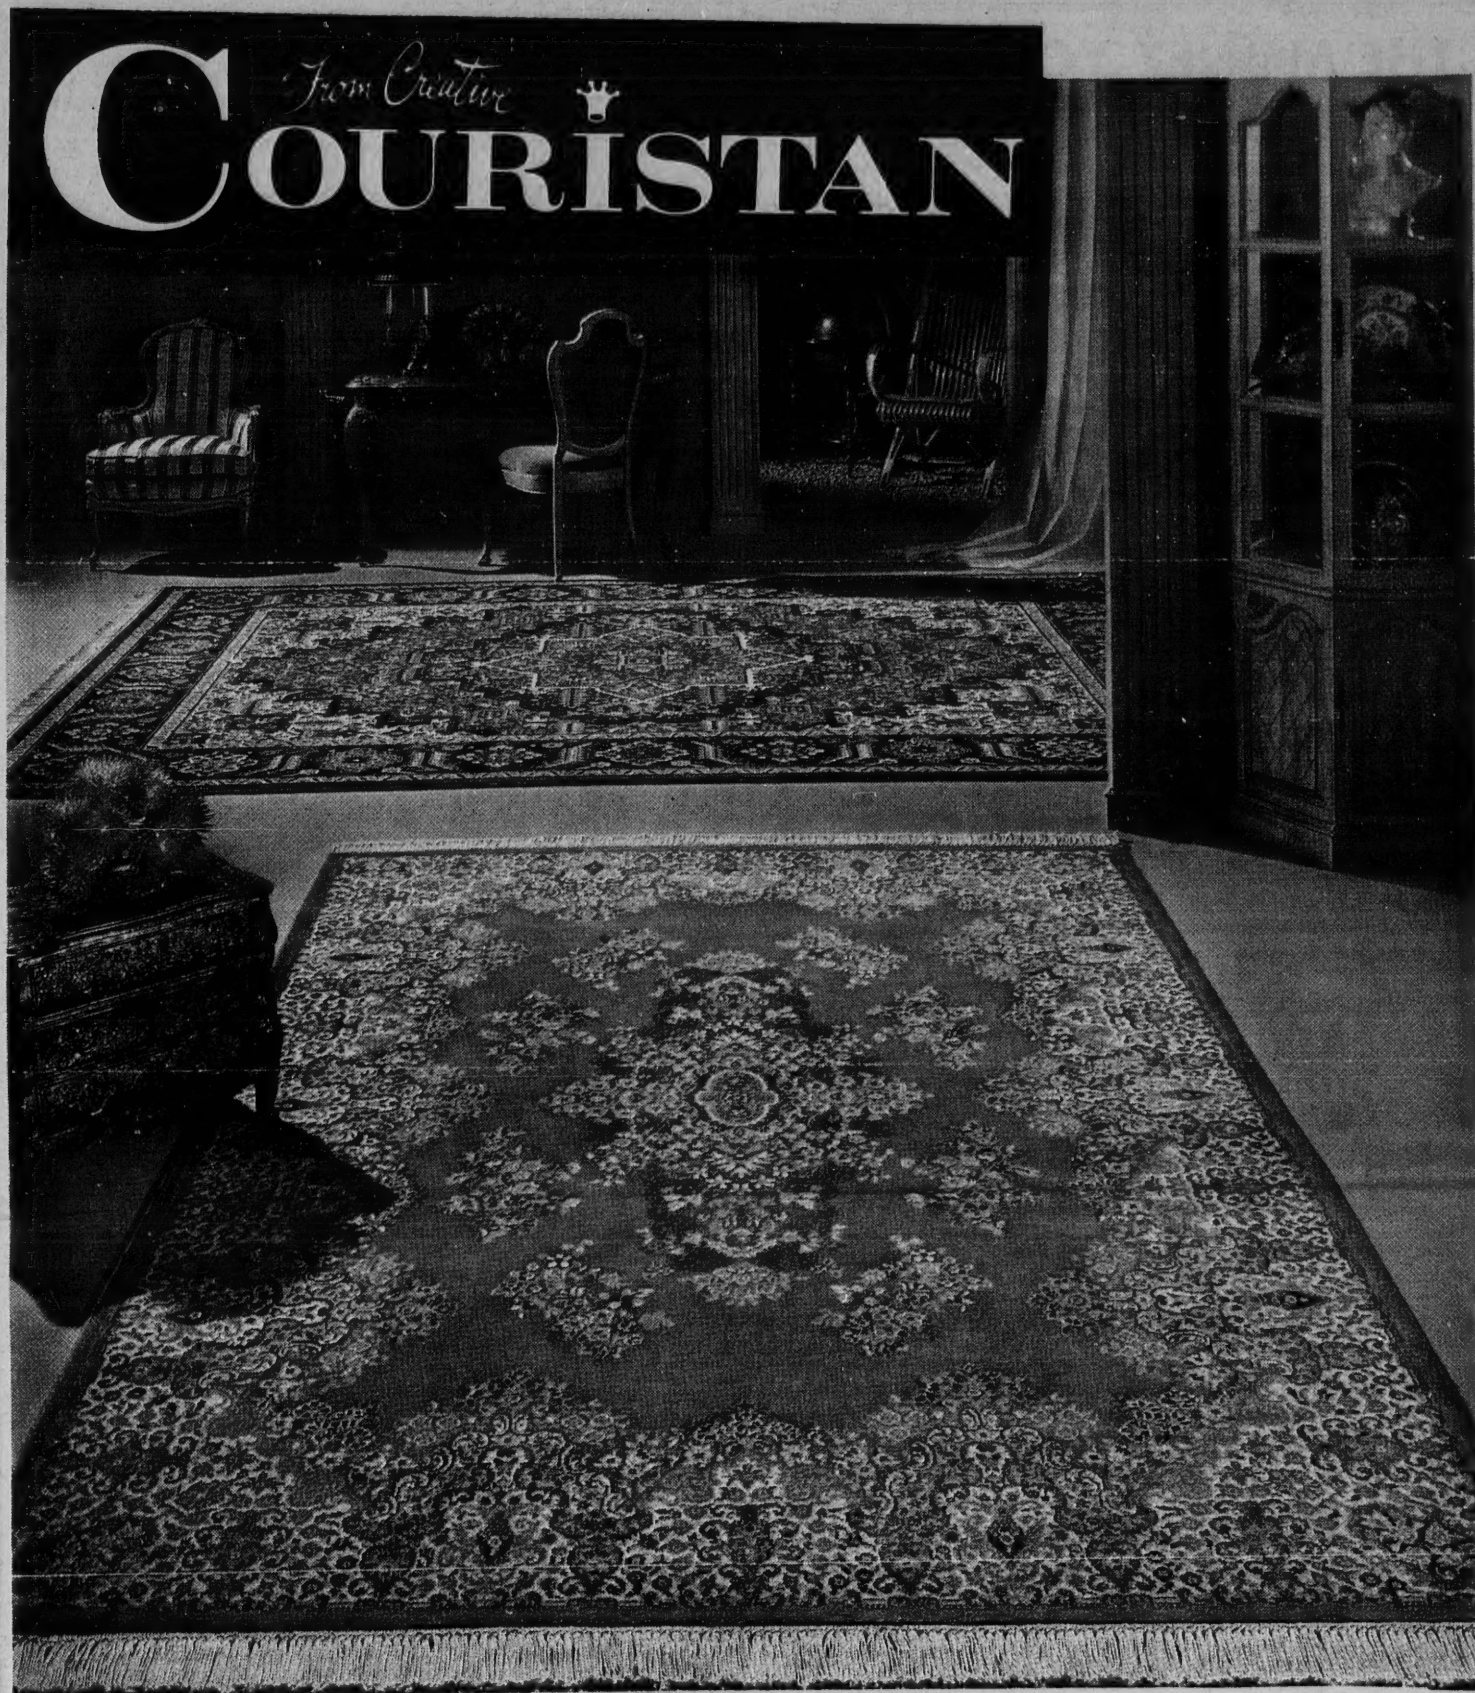

Members and friends of the Friendly Circle are invited to attend the Birthday Party being held in the vestry of the Andover Baptist Church on Monday, March 9 at 7:45 p.m. Members are re-

minded to return the "Birthday Sacks" which have been given to them previously.

Following the business meeting, at which many details for the spring ham and bean supper will be discussed, refreshments will

be served, under the direction of Mrs. Linda Lounsbury, chairman; Mrs. Bobby Hughes and Mrs. Linnea Robinson.

## Church Women United To Hold World Prayer Day

Church Women United will join millions of people on March 6, in a bond of prayer spanning six continents. Prayers will be offered in 75 languages and a thousand dialects. World Day of Prayer is sponsored in the United States by Church Women United and will be celebrated by 25,000 communities.

In Andover, Church Women United invite all to join this worldwide fellowship at 7:30 p.m. at Free Christian Church. Participating in the celebration will be representatives from the member churches in the town. The speaker will be the retired Rev. Leonard L. Collins.

This annual chain of prayer links the first voice at dawn in the tropical Tongas, just west of the International Date Line, with millions of others as it passes throughout the Day across oceans and continents. By nightfall, its message of hope will have followed the sun's arc until the last prayers are said in units of Church Women United in Hawaii and the islands of Alaska.

The theme, "Take Courage," was chosen and made relevant by an International Committee headed by Miss Gudrun Diestel of Germany. The program was developed as a housewife from Egypt, a social worker from Guyana, a church

worker from the Philippines, and a woman from the U.S.A., discovered a common bond of worship and witness.

## Austin Ladies Make Plans For Fashion Show

The Ladies of Austin Prep met recently at the school in Reading to formulate plans for a Fashion Show to be held at the school on March 6 at 7:30 p.m.

This is special because it will include as fashion models members of the faculty, students and parents of the faculty as well as

professional models.

A champagne social will begin the evening festivities which will include the awarding of a color TV and numerous door prizes. Coffee and dessert will be served.

The area chairman for tickets locally is Mrs. William Doyle, 11 Westwind Road.

## Camp Fire Girls

The Andover Camp Fire Girl's townwide activity for March will be an afternoon of bowling. The big day will be Tuesday, March 10, and the place will be the Andover Recreation Center on Park St.

The enthusiasm toward townwide participation activities has proved very gratifying. The next date on the calendar will be March 15, when all the Andover girls will attend a Folk Mass at Merrimack College for the opening of Camp Fire Birthday Week.

**VOTE TALLY.** Town Clerk Irving O. Piper left and Anderson Jones of IBM, were busy Monday night processing the town election results through the computer. The processing was done at the Andover Institute of Business and Jones was assigned by IBM to assist and supervise the operation. For Town Clerk Piper it was his final official supervision of a town election, since he will retire at the end of this month.

## ELECTION

(Continued from Page One)

would retire as selectman at the expiration of his term this year. Shortly thereafter he announced he would seek the office of moderator.

Observers felt that the appointive powers of the moderator in naming Finance committee members may have been the reason.

A particularly popular vote getter, Allen trailed Williams in all but his own precinct -- six -- in the final results. In precinct six Allen topped Williams 824 to 612, but the incumbent held substantial margins in all five other polling places to wind up with a 1,166 plurality.

The fluoride issue found voters solidly behind retaining the chemical in the town's water supply by a substantial margin.

It had been placed in the water supply through permissive legislation by the Board of Health last spring. Anti-fluoridationists have made several efforts to have it removed, including the placing of the issue on the ballot.

In the six-man race for selectman, George E. Heseltine, 14 Argyle St., led the ticket in his first attempt for public office. The local businessman, former president of the Chamber of Commerce and active in that organization, polled 3,236 votes to lead incumbent Robert A. Watters who captured 2,938 votes. Watters returns for a third three year term, while Heseltine will fill the post vacated by Philip K. Allen who did not seek re-election to the board.

Dr. Milton Greenberg was third in the race with 2,305 votes; Benjamin M. Brown followed with 1,394, Domenic S. Terranova, 843 and Theodore E. Meinelt, Jr., 646.

Dr. Richard A. Katz, who has served as chairman of the school committee for the past year, and was completing his first term, easily topped the field in the school board race with 3,374 votes.

Francis J. Hill, Jr., 53 West Parish Drive, a department manager at Raytheon, captured the second spot on the school committee, with a vote of 2,617. Hill was also making his first bid for public office.

Hill will fill the vacancy created by the decision of William A. Doherty not to seek re-election after having served on the board for over 35 years.

Others in the race were Atty. Irving L. Newman, 1697; Jerome P. Hochschwender, 1,860 and Leo F. Griffin, 1,649.

Uncontested in the election were the offices of housing authority, representative to the regional vocational high school and the trustees of Punchard Free School.

John B. White, Jr. was re-elected to a five year term on the housing authority with 5,212 votes; Fred S. Tarbox returned to the vocational school committee with 5,239 votes and the trustees of the Punchard Free School re-elected were: Arthur W. Cole, 4,922; Fred W. Doyle, 5,101; Dr. William V. Emmons, 4,965; Malcolm J. Ruhl, 4,764 and Harry Sellars, 4,793.

The returns began coming in shortly before 9 p.m. for processing at the Andover Institute of Business where Town Clerk Irving O. Piper, supervising his last municipal election prior to retirement later this month, was assisted by Mrs. Annetta Wrigley.

As the computerized results were made known they were telephoned to the town clerk's office in the town hall where Registrar of Voters Harry Sellars recorded them and Registrars Eugene Zalla and Thomas P. Brennan relayed them to candidates and followers.

Complete returns and totals were recorded shortly after midnight.

Some problems resulted with

the computer cards which would not process, due to tears or bends in the card, thus requiring hand counting of some ballots.

## Plant Auction Set

The Andover Spade and Trowel Garden Club will hold its monthly meeting at the home of Mrs. Paul Dow, 19 Strawberry Hill Road on Tuesday, March 10 at 8 p.m. A

# Introducing Audi.

The revolutionary new car from Germany that moves, stops, turns, etc., differently from most other cars.

Almost every car in the world moves by means of the rear wheels pushing it.

The Audi moves by means of the front wheels pulling it.

Most cars' front brakes (whether they be drum or disc) are located on the outside of the axle just inside the wheel hubs.

The Audi's front brakes (which are disc, by the way) are located towards the middle of the axle.

Most cars turn by means of a series of gears and levers.

The Audi turns by means of gears alone.

Most cars also do other major things the same way.

While the Audi does most of them another way.

What it all adds up to is this:

The advanced automotive principles that German

engineers used in designing this car make it perform like nothing you've ever driven before.

And we're not talking about subtleties. But differences that will be apparent to you the moment you drive the Audi out of the showroom.

Which is what we'd like to invite you to do right now: drive an Audi out of the showroom and around the block a few times.

It's quite an experience.

Audi®

**LIBRARY DISPLAY.** A display which opened this week at Memorial Hall library pays tribute to the late Charles J. McCabe, a frequent visitor to the library. Through the courtesy of Mrs. McCabe many items in Mr. McCabe's antique collection have been placed on exhibit.

## McCabe Tribute At Library

The day before he passed away Mr. Charles McCabe, 5 Appletree Lane, was in the library, a place he seemed to enjoy frequently, and he made the statement that he would be happy to display his latest collection, a selection of antique articles from the orient, if the library would be interested.

Memorial Hall Library presents this collection, with the help of Mrs. McCabe, in memory of a warm, friendly, challenging person who gave us all an extra lift whenever he came in the library.

His last activity as a collector was to add the priceless articles now on display to his already well-known and extensive collection of antiques. There are two prayer wheels from Tibet; a tiny Japanese shrine called a travelling shrine because it is carved in its own tiny case and could be taken on journeys; an old figure in wood of the God,

Pu-tai, with his smiling countenance and exposed abdomen; two rare sculptures of figures betraying facial and bodily mien of belligerence to frighten away evil spirits; a carving of the Buddhist goddess, Kwan Yin, who is credited with many of the qualities of the Christian Madonna; another goddess called "Mother" whose face is blackened by the smoke of incense burned before it; a carved, wooden candle holder from a temple, an example of the many types that can be found in Chinese temples; and an ancestral tablet.

**Great Books**

The Spring Schedule of the Great Books Discussion Group is now ready. New members are urged to join the group at this time, especially interested people from neighboring communities. The meeting dates, books to be read between March 10 and May 12, and

the discussion leaders for each meeting are listed below. The group meets in Memorial Hall Library at 7:30 p.m. on the second and fourth Tuesday of each month. All the books can be purchased in paperback at the Andover Bookstore.

March 10, Shaw, Heartbreak House, Robert Rockwell; March 24, Kafka, Metamorphosis, Mrs. B. Johnson and Mr. Rockwell; April 14, Solzhenitsyn, One Day in the life of Ivan Denisovich, R. B. Hubbs; April 28, Jerome, Three Men in a Boat, Dr. Mary Grow; May 12, Grass, Cat and Mouse, R. B. Hubbs.

## Room At The Top Shifts

The characters in Andover's school tableau shifted place Tuesday night, as the school committee said goodbye to veteran school committeeman William A. Doherty, hello to his replacement Frank Hill, approved Dorothy Partridge's request to step down from the East Junior High principalship to resume her former post as assistant principal, and named Shawsheen Principal Ed Regan as principal of Central Elementary School.

The school superintendent said Regan's transfer to the Central Elementary School's principalship would be a hardship to Shawsheen, but would "serve to share a man with the capacities of Mr. Regan over a larger number of students, for the benefit of the system."

The transfer, requested by Regan, will take him from a 329 pupil school to one of nearly 600 pupils, which is slated for updating and expansion.

Mrs. Partridge's request to return to an assistant principalship noted that this would make a great difference in her pension, when she retires in two years; her status on the 12th step of the master's scale.

## TOWN MEETING

(Continued from Page One)

Chairman Albert J. Greenberg of the FinCom suggests that if his board's recommendations are followed the total tax rate increase would be \$8, and now possibly \$7, with the increased amount of funds to be received from the state according to the cherry sheet received this week.

In an effort to keep the tax hike within the \$8 figure, the FinCom has recommended that \$375,000 of the free cash account be applied to reduce the annual municipal costs. The free cash account, slightly in excess of \$600,000, is the lowest amount it has been during the past ten years.

The FinCom points out in its report that some of the increase in the school department budget is for the addition of 21 new teachers to the system. The amount is \$89,600 for one-third of a year, and will be reflected heavily in the 1971 budget when these new teachers are on a full year schedule.

That cost for 1971, for 21 teachers and 11 teaching specialists (32 in all) is estimated to cost \$288,000 in 1971, which is equal to \$1.50 of the tax rate.

Among major issues to be decided at the session Saturday in addition to the budget, will be items dealing with conservation, and appointment of a public works director, as recommended by Town Manager J. Maynard Austin and approved by the selectmen.

Greenberg says that his committee is not in complete agreement with the public works director concept at this time.

He states that Town Manager Austin is new here at present and that Water-Sewer Supt. Donald C. Bassett will be leaving that post in April.

The FinCom chairman would like to wait for a period of time to see how things work out. At present all seven department heads in the public works department report to the manager.

Austin has requested a director who would co-ordinate the department and report to him, freeing the manager for other administrative duties.

As for the Conservation Commission, it is requesting funds to obtain land extending from the Andover Village Improvement Society owned Deer Jump Reservation along the Merrimack river to the Lawrence line.

The matter was still a subject of negotiation as of noon Wednesday, between the conservation group and FinCom officials.

A major article up for consideration, will be appropriation of funds for a water treatment plant to be built at Haggett's pond. This plant is reported to be needed by 1972 in order to meet the demands of the town by that time.

The total project cost is estimated to be \$4,000,000.

The FinCom has given its conditional approval of the article, indicating that the amount can be bonded only if the town receives a federal grant of \$1,500,000 for

the project.

The plant would take water from the Merrimack River, treat it and place it in Haggett's pond, the town's main reservoir.

An article which was expected to evoke considerable debate, that of providing off-street parking on Main street, has been withdrawn and will not be acted upon. Town officials and Chamber of Commerce officials are expected to get together to discuss the matter and make plans to be presented at another town meeting.

Two articles of interest in the session deal with changing town meetings.

Entered by the selectmen is an article to eliminate the October town meeting which is provided for in the town bylaws.

This was enacted a few years ago. Last October three sessions were needed to complete all the business. It is the opinion of some members of the board of selectmen that if a special session is necessary it can be called by the board.

Another article would move the date of the annual town meeting from the first Saturday in March to the first Saturday in April. The theory behind the move is that with better weather, there would be better attendance at the session.

There are a total of 64 articles in all to be acted upon at town meeting on Saturday.

For Town Clerk Irving L. Piper, this will be his final official session, since he will retire at the end of this month.

## Births...

HENDREN - A son, John Wilkinson, Feb. 19, to Mr. and Mrs. Joseph W. Hendren, 6505 Overhill Road, Shawnee Mission, Kansas. The mother was Mary Anne Faggiano, formerly of Andover, the daughter of the late Dr. and Mrs. James Faggiano. Paternal grandparents are Dr. and Mrs. Joseph Hendren of Missouri. The family includes another son, James, ten.

KILEY - A daughter, Tuesday, March 3, at Bon Secours hospital, to Mr. and Mrs. John J. Kiley, 3 Random Lane. The mother was Patricia Kelly.

DAVIS - A daughter, Stephanie Chapman, Tuesday, Feb. 24, at Lawrence General hospital, to Mr. and Mrs. Geoffrey Davis, 8 Dunbarton St. The mother was Judith Chapman, R.N.

HENDERSON - A daughter, Cheryl Leigh, Wednesday, Feb. 25, at Lawrence General hospital.

## Editorial Comment

## Your Decision

Saturday is a big day in Andover. Beginning at 9:30 a.m. in Memorial Auditorium, taxpayers of this community will have the opportunity to decide just how much they want to pay for municipal services during 1970.

It is an important decision and lies solely in the hands of the townspeople.

Tax rate increase projections now range anywhere from \$7 to \$9. The levy for 1969 was \$39, a 26 percent increase over 1968.

What will the increase be in 1970?

It lies entirely within the province of the residents to decide.

For the past several weeks, even months, the Finance committee, town officials and school authorities have scrutinized budget requests and pared them to the bone.

The FinCom now feels it has come up with a sensible budget to present to the voters at town meeting.

The FinCom has also examined various warrant articles dealing with expenditure of funds and has made recommendations.

On the bright side, was news this week that the cherry sheet figures were somewhat better than expected. This is the money which the town can expect to receive from the state for its local aid fund to assist in the tax rate structure.

The increased amount may result in reducing the tax rate another dollar or so.

Unfortunately much of the tax rate increase is already built in due to past town meeting experiences. The factors include salary increases for employees, bonded indebted-

ness for capital outlay projects, etc.

These items will remain with us for some time.

We are faced with additional capital projects, all to be taken into consideration when examining the budget and warrant articles on Saturday.

Quite obviously there are no signs of reverse trends in costs. It is obvious they will continue to not just rise, but spiral.

But under the true democratic process, known as the familiar New England town meeting, the resident has his "day in court," so to speak.

The voices heard at town meeting are meaningful.

The decisions and recommendations of the FinCom have been given much thought and are presented after considerable examination of needs.

All of which leaves the decision to you the voter to decide just how much you want to pay for municipal services.

Only once in recent years has there been a considerable outpouring of voters for town meeting — that a couple of years ago when the Raytheon issue was before the town.

Other town meetings, annual and special, have hardly been representative of the entire town.

This year, it behooves the interested citizen to make every effort to attend to the town's business.

When examining the family budget weekly, the decision must be made whether one chooses steak or hamburger.

Town business is no different, since the cost here, too, is reflected in the family pocketbook.

We strongly urge attendance at town meeting on Saturday.

## A Mandate

Of all the election results Monday, it would appear that a mandate was issued by the electorate in the re-election of Atty. Arthur Williams as moderator.

Overlooked, possibly for many years, is the fact that the moderator is not just the gavel wielding administrator of town meetings.

Within his jurisdiction lies the appointment of the members of the finance committee.

This year, this appointive power appeared to be the issue.

Selectman Philip K. Allen who challenged Atty. Williams, has been from time to time at odds with the Finance committee. A year ago he moved to block the members of the FinCom from observing departmental budgets and talking with department heads.

FinCom members wanted to gain a working knowledge of the departments in order to be more knowledgeable when it came time to make their annual budget examinations.

Allen was opposed. He and some members of the selectmen also wanted the power of the FinCom to prevent items coming to town meeting floor through their disapproval at

special town meetings.

The rumor mill characteristically warms up during an election campaign, and speculation was made that should Mr. Allen succeed, then former Town Manager Richard J. Bowen would be appointed to the finance committee.

We deal not in rumors, or speculation.

Dr. Milton Greenberg has worked hard as chairman of the Finance committee, and Atty. Williams' re-election would almost assure his reappointment.

The fact, here, is, however, that Monday's vote seems to be not just support for the incumbent moderator, but for the work of the Finance Committee.

The plurality by which Atty. Williams was returned to office would appear to be a mandate to continue the efforts of the FinCom.

Persons have been critical of Atty. Williams in his conduct of town meeting, saying he operates too slowly, but he maintains that in the Democratic process, anyone who wants to speak on an issue should be allowed to do so.

On Monday, Andover voters indicated they apparently agree with his theories and his appointments.

## Down The Years

75 Years Ago — March, 1895

Town Clerk Marland has completed the registration of births for 1894 and reports there were 121.

The annual town meeting opens at the usual time which is next Monday morning at 9 o'clock in town hall.

Following completion of the registration of voters for the town meeting, including the gains and losses, the number eligible for participation in town affairs remains the same, 1,179.

Two thieves who broke into the T. A. Holt Co. on Central street were apprehended by police and held in \$2,000 bail each. They had escaped with \$100.

The H. M. Hayward ice house in Ballardvale will be auctioned this week, along with a house on River street.

50 Years Ago — March, 1920

Amateur actors, music by the American Woolen Co. Orchestra and dancing will be featured Friday and Saturday night by the newly organized Shawsheen Village Dramatic club. William Wood

has graciously offered the use of his casino for the presentation.

All town boards hold special meetings to organize following the town election.

The Tyer Rubber factories closed Monday afternoon to allow their employees to attend town meeting.

South church holds special meeting to act on improvements to the church building and votes an appropriation of \$11,000, of which \$4,300 was pledged within ten minutes.

A statement by the Eastern Massachusetts Street Railway Co., to local officials notes that it spent over one-half million dollars in keeping its lines clear of snow and ice during January and February storms.

25 Years Ago — March, 1945

Requests for \$150,000 for improvements to the water system and \$21,000 for tercentenary observance are approved by the Finance Committee. Plan for town pickup of garbage rejected.

A new snow loader finally ar-

(Continued on Page 15)

## What Our Readers Say

To the Editor of the TOWNSMAN

I have subscribed to the Andover TOWNSMAN for over 10 years and look forward to reading it each week. It is like a letter from my 'Home Town.'

The announcement of Miss Catherine Barrett's retirement from the school system, is something I must comment about.

Miss Barrett always has been and is a perfect lady, teacher and principal. The pupils that she taught will always have a fine warm respect and feeling for her.

We who live in Evansville, Ind. do want to wish Miss Barrett a long, happy, healthy and successful retirement.

This is one position that will be hard to fill in the hearts and minds of the Andover citizens.

Our greatest respects to you Miss Catherine Barrett.

George P. Markey, Sr.  
2317 East Chandler Ave.  
Evansville, Indiana

To the Editor of the TOWNSMAN

The Committee that prepared the report on Recreation and Open Space is pleased that you took editorial note of its efforts and that you support the recommendations for the Andover Recreation Park. However, we feel it is unfortunate that in headlining the news item about it in the TOWNSMAN of Feb. 19 and in the editorial comment the following week you singled out for attention an admittedly expensive item, a pool, rather than considering the broader implications of the report. We should like to point out that the report contains a wide range of recommendations, from costly items to those which would cost the Town nothing. There are many long-range proposals and some, such as the acquisition of prime conservation land, which should not be delayed. A conscientious effort was made to consider a broad spectrum of community interests and the needs of all age groups. Therefore we should like to urge your readers to read the report itself. Copies are available at the library and at the Planning Board office.

Now as to the pool itself: It was our recommendation that it be built when the high school is expanded to take care of increased enrollment. At that time, because of State requirements, either the gym will have to be enlarged or some other acceptable physical education facility, such as a pool, will have to be built. A pool, built in connection with school enlargement, would be eligible for 40% State reimbursement and furthermore would replace an expansion of the gym. In view of the fact that there is a gymnasium in every school in Town, the Committee concluded that a pool, which could be used for physical education programs during school hours and for recreational use after hours and during the summer, would broaden and enhance Andover's recreational facilities far more than an expansion of the gym. An Olympic size pool is a pool which is 36' by 75'. This is a standard size for competitive swimming and thus would enable the school to develop a swimming team, hold swimming meets, etc., further broadening its use.

I should also like to address myself to some points raised by one of your readers in a letter to the editor. Mrs. Harmoning suggests that there is little demand for swimming because Pomp's Pond is "so little used." Records show that as many as 3000 people have used the Pond on hot summer days; approximately 400 children were enrolled in the swimming program there last summer. In addition, during the year ending Sept. 1969, 1775 individuals enrolled in aquatic programs offered by the Y.M.C.A. using the Phillips Academy pool during the limited hours in which it can be made available, showing that there is widespread community interest in swimming for instruction, for safety, and for recreation. It is true that many people shun the use of Pomp's Pond because the water quality has unquestionably declined in recent years. Following sound en-

## Off The Top Of The Desk

For two years in succession, Mother Nature has had her say on election day.

A year ago, the snow began falling early in the day and continued throughout the polling hours.

Once again this year, the snows came early and stayed late, but despite the weather the turnout was considered good, with over 50 percent of the registered vote turning out.

The death last week of Roland B. Russell in North Andover, probably stirred many a memory to not only Andover people, but to thousands of Greater Lawrencians.

For years Mr. Russell conducted a band at the Balmoral Spa in Shawsheen, now the site of the insurance company buildings.

In later years, after the Spa was no longer a dance mecca, the Russell band moved over to the Crystal Ballroom for Friday and Saturday night dances. The building is now the Cardinal Cushing Gymnasium and was formerly an office building for Raytheon after being abandoned as a dance hall.

For the first time in over 35 years there was a political figure relaxing in the town clerk's office Monday night as the returns came in.

It was School Committeeman William A. Doherty who did not seek re-election.

"Bill" just leaned back, talked to friends and listened to the reports of the various precincts to see who his successor would be.

In other years there would have been an intent interest in the race, but this year, it was just a relaxing evening to watch the political machinery in operation.

This is the time of year when parents should be particularly cautious of where their children go skating.

Often surfaces which appear safe are not, due to thawing conditions. Tragedy can be averted by insuring that youngsters find or are brought to and supervised at areas which are assured to be safe.

Too often do we read of tragedies which could have been avoided had the surface been properly checked before gliding over the ice.

At this time of year, with the sun reaching greater heights, thawing takes place at a more rapid rate, thus jeopardizing safe conditions.

One of the most interesting town reports we have seen lately comes from the town of North Andover.

Through the courtesy of the North Andover Historical society, the annual report is decorated with historical items, in many cases related to departmental reports, such as the old leather buckets used by the fire company years ago in what one might suppose was the "bucket brigade," form of extinguishing fires. The picture accompanies the report of the fire chief.

We would hardly think that housewives became ecstatic the other night during the telecast of the Boston Bruins hockey game, but one might suppose the men-folk were certainly more than thrilled to hear that a Boston TV station had signed a contract to telecast 60 of the 72 Bruins hockey games beginning next year.

### LETTERS

(Continued from Page 14)  
gineering advice, our committee has recommended that water from the new unused Ballardvale well be pumped into the Pond during the summer months, improving both the quality and quantity of water in the Pond. Article 38 of the March Town Meeting warrant asks for an appropriation to accomplish this, and we hope it will be approved by our fellow citizens.

Mrs. Harmoning also referred to the number of private pools in town. There are approximately 6000 school age children in Andover to say nothing of the 17,000 or so adults. Relatively few of these have access to private pools. Learning to swim is not only healthful and enjoyable but is an important safety measure, and all children should have an opportunity to learn this form of self protection.

Finally, many communities today are beginning to recognize that provision of open space and public recreation are not extravagances but are essential to the public good. Some communities have

neglected their importance in the past, and many of our crowded cities are suffering the effects of such false economy and neglect today. A wide range of healthful recreational opportunities is perhaps the best way of combating the drug problem to which Mrs. Harmoning refers as well as many other community problems. Public recreation is an investment in the physical and mental health of the community and thus an investment in good citizenship.

Margaret R. Keck, Chairman  
Recreation and Open Space  
Advisory Committee

### DOWN THE YEARS

(Continued from Page 14)  
rived this week and was immediately put to work clearing the snow in the main section of town.

Board of Public Works now has two Doyles as members. Fred Doyle re-elected and Edward Doyle elected to a first term by 139 votes.

Heavy fire damage to EDP fraternity house at Phillips Academy. Building located on Highland road poured forth heavy smoke shortly before 5 a.m.

Free Church receives letter of resignation from Rev. Herman C. Johnson, currently serving in the Armed Forces. Rev. Mr. Johnson submitted his resignation to the church twice following enlistment, but the membership has twice turned it down.

10 Years Ago — March, 1960

Russell G. Doyle elected selectman, Robert B. McIntyre chosen school committeeman in annual town election.

Zoning appears to be key issue in annual town meeting as Planning Board proposes two-acre lots.

It's far from the first day of spring but to hundreds of boys it will feel that way as tryouts for Little League begin this Saturday at the cage at Phillips Academy.

Building permits for the month of

February, mostly for new-homes, totals \$178,000.

Tentative plans have been made by a committee of educators for a six week public summer school program for students in grades seven through 12.

### Christian Women's Club To View Wigs

This is the year when wigs have come into their own. Women are more interested in the wig displays seen everywhere than in any other fashion gimmick to come along in recent years.

At the Christian Women's Club monthly luncheon visitors will learn how to buy and wear a wig. The luncheon, to which all interested women are invited, will be held on Tuesday, March 10 from 12 to 2 p.m. at Indian Ridge Country Club.

Speaker will be Albert Brickner. A journalism major from Wayne State University, Mr. Brickner is director of the New England Center of Israel's Remnant.

"Sounds of Easter" will be the musical feature. For reservations or further information contact Mrs. Donald Dewhurst, 12 Rennie Drive, or Mrs. Willard Perkins, 102 Dana Road, Reading, by March 6. Nursery service is available.

### June Wedding Is Planned

Miss Paula M. Girardin

Mr. and Mrs. Arthur W. Girardin, 7 Holly Terrace, announce the engagement of their daughter Paula Marie to Richard P. Belcher, Jr., son of Mr. and Mrs. Richard P. Belcher of Winthrop.

Miss Girardin graduated from Andover High school and the Winthrop Community Hospital School of Practical Nursing. She is now attending North Shore Community College where she will receive an associate degree in Nursing in June.

Mr. Belcher is a graduate of Winthrop High school and attends Northeastern University. He is employed by Polaroid Corporation in Cambridge.

A June 14 wedding is planned.

### Mrs. Patterson, Heads Coffee Day Program

Mrs. George W. Patterson, 75 Cheever Circle, has been named Coffee Day chairman for this community, it was announced by Bill Veeck, chairman of the 1970 Massachusetts Easter Seal Campaign.

Coffee Day is a two-week, special event beginning this year on Thursday, March 12. A fund-raising activity, it is designed to add \$40,000 to the 1970 Easter Seal Campaign. The goal of the general campaign, which began on February 23, is \$510,000.

The public can purchase Coffee Day stickers at many restaurants in Andover connected with the promotion for one dollar. On Thursday, March 26, sticker wearers can drink free as much coffee as they wish at the participating restaurants.

### Miss Bradley To Wed In April

Miss Susan E. Bradley

Mr. and Mrs. Frederick Withrow Bradley of Andover announce the engagement of their daughter, Susan Elizabeth, of Boston to Malcolm Lewis Trayser of New York City.

Mr. Trayser is the son of Mrs. Lewis William Trayser of Philadelphia, Pa. and the late Mr. Trayser who until his retirement was a senior vice president of the Curtis Publishing Company.

Miss Bradley is a graduate of Abbot Academy and Chatham College in Pittsburgh, Pa.

Mr. Trayser, treasurer and a director of Auerbach, Pollak and Richardson, Inc., a New York Stock Exchange member firm, graduated from The William Penn Charter School in Germantown, Pa., Yale University and Harvard Business School.

An April wedding is planned.

### Students In Art Exhibit

Several students from Andover West Junior High school, had art works exhibited in the recent Scholastic Art Awards exhibition in Boston, under the sponsorship of a Boston newspaper.

Students winning gold keys and whose works will be forwarded to New York for national competition include Beth Cummings, Nancy Gilday, Donna DeKavis, Cynthia Haefling and Jackie Williams.

Also receiving gold keys for their work were Martha Cox, Cheryl Harris, Donna MacMillan and Seth Traub.

Students whose work has been chosen for hanging in the exhibit which ended Sunday were Dean Blumberg, Robert Bowan, Alan Cameron, Denise Dargoonian, Mary Jane Kenrich, Jane Kowalik, Pamela Lebowitz, Craig MacDonald, Janice Marino, Kevin Mulcahy, Joseph Nicolosi, Kim Rettele, and Sharon Ringland.

### Guild To Have Lenten Program

The Rev. J. Edison Pike will be the speaker at a Lenten Program to be held by the Friendly Guild of Christ Church on Monday, March 9 at 7:45 p.m. in the meeting room.

A short business meeting will precede the program to discuss final plans for a rummage sale to be held on March 14, Saturday at ten o'clock at the parish house.

The committee for the evening: Mrs. Jean White, chairman, Mrs. Irene Crosby and Mrs. Helen Lewis.

HOME DAY OBSERVANCE. Members of the Shawsheen Village Women's club recently held their American Home Day observance at the Andover Country club. Shown, left to right are Mrs. Frank Stevenson, first vice president; Mrs. Arthur Seikunas, president; Mrs. Robert Lurvey, tenth district director and Mrs. Marco Pettoruto, second vice president.

## License For Coffee Mill Rejected

The selectmen Tuesday night unanimously turned down the request of the Coffee Mill, 125 Main St., for a restaurant liquor license. The board, which had been deliberating on the subject for several weeks, made the decision on the basis of the opinion of Town Counsel Frederic S. O'Brien, who said that granting of a license to the restaurant would change its character.

The restaurant is now in a non-conforming use category, which means the business was there prior to establishment of the zoning bylaws. Any change in character would be subject to a hearing before the zoning board of appeals.

For this reason, the board unanimously voted to deny the request, according to Chairman Robert A. Watters of the selectmen.

While the business establishment was within a statutory limitation of some Abbot Academy buildings, the academy did not make any formal protest to the application.

## League To Support Article 37

The Andover League of Women Voters has announced its support of warrant article 37, which asks appropriation of funds and purchase, for conservation purposes, of a strip of undeveloped Merrimack River waterfront land.

"This land can be used for recreation, as well as conservation purposes, after the Merrimack River has been cleaned up," said Mrs. Robert Zollner, the LWV chairman of Local Action.

"It is incredible to have the opportunity to acquire this much waterfront land, still untouched by development, at this late point in Andover's history."

The parcels mentioned in the article lie between the Andover Village Improvement Society's Deer Jump Reservation and the

Lawrence boundary along the south bank of the river.

At present the town owns no public land fronting the river, with the exception of the small parcel on which the Fish Brook dam is located. Acquisition of all of the parcels in the article would mean town ownership of an almost continuous strip of public and semi-public land from the Deer Jump AVIS holdings to the Lawrence boundary.

The Conservation Commission and selectmen were debating possible amendment downward of the number of parcels in article 37, or of the \$100,000 appropriation asked, at presstime Wednesday.

Mrs. Zollner said the league favored acquiring as much of this land as is feasible; this is consistent with the general position in favor of an active open space land acquisition program, which the local league arrived at after study of the conservation issue.

According to Mrs. Edmund Hammond of the Conservation Commission, passage of Article 37 is in line with Merrimack Valley Regional Plan, the program of the Recreation and Open Spaces Committee of the Planning Board, and the Master Plan for Andover, which recommends that Andover's Merrimack River waterfrontage should be publicly owned.

Commonwealth of Massachusetts  
PROBATE COURT  
Docket No. 304892

Essex, ss.

To JOHN F. BARBRICK, of Andover, and the ARLINGTON TRUST COMPANY of Lawrence, both in the County of Essex, and to all other persons interested.

A petition has been presented to said Court by RUBY L. BARBRICK of Andover in the County of Essex representing that she holds as Joint tenant one undivided half part or share of certain land lying in Andover in said County of Essex and briefly described as follows:

Certain real estate situated in Andover in said County, bounded and described as follows: Westerly by Brookfield Road 81.69 feet; Northerly in a curved line at the junction of Brookfield and Woodcliff Roads 38.44 feet; Northeastly by Woodcliff Road 100 feet; Southeastly by lot 19 as shown on plan hereinafter mentioned 92.80 feet, and Southerly by lot 23 on said plan 133.02 feet.

All of said boundaries are determined by the Court to be located as shown on Plan No. 18975B, Sheet 2, drawn by Fred W. Stowers, Engineer, dated April 1946, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed with Certificate of Title No. 3996, Book 27, Page 185, and being designated as lot numbered 22 thereon.

There is appurtenant to the above described land the right to the use of a sewer line parallel with the southeasterly line of Elm Street extending from Brookfield Road to Rock Ridge Road as set forth in Certificate of Title No. 3996, Book 27, Page 185.

Said land is subject to a reservation pertaining to said sewer line as set forth in Document No. 11953.

There is appurtenant to the above described land the right to the use of a private way or ways shown on said plan for purposes of ingress and egress to and from accepted streets of the Town of Andover. Subject to a mortgage to the Arlington Trust Co., dated October

3, 1966, recorded with the North Essex District Registry of Deeds with the records of registered land as document No. 19492 and noted on transfer Certificate of Title No. 5215 recorded with said Deeds with the records of registered land, Book 35, Page 261., praying that partition be made of all the land aforesaid according to law, and to that end that a commissioner be appointed to make such partition and be ordered to make sale and conveyance of all, or any part of said land which the Court finds cannot be advantageously divided at public auction, and be ordered to distribute the net proceeds thereof.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Salem before ten o'clock in the forenoon on the thirtieth day of March 1970, the return day of this citation.

Witness, JOHN A. COSTELLO, Esquire, First Judge of said Court, this twenty-seventh day of February 1970.

JOHN J. COSTELLO, Register

Commonwealth of Massachusetts  
PROBATE COURT  
Docket No. 304841

Essex, ss.

To all persons interested in the estate of MARY G. VerPLANCK late of Andover in said County, deceased.

A petition has been presented to said Court praying that LAWRENCE C. VerPLANCK of Andover in the County of Essex be appointed administrator of said estate, without giving surety on his bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Newburyport before ten o'clock in the forenoon on the twenty-third day of March 1970, the return day of this citation.

Witness, JOHN A. COSTELLO, Esquire, First Judge of said Court, this twentieth day of February 1970.

JOHN J. COSTELLO, Register  
March 5-12-19

**COMPUTER**

(Continued from Page One)  
aren't just going its way.

Some voters rather "rudely" removed the punch card from the machine, causing slight tears in the paper.

When the card was given to good old reliable Charley at the computer center, he took one look and said, "yuk, I'm not reading that mess."

Then there was the case of some of the cards not being punched through completely.

Despite sufficient exposure as to the voter's choice, the computer's eyesight is apparently far from 20-20, and thus, a refusal to register.

Any card which was bent in the slightest also drew the computer's wrath.

As cards began their rapid descent through the complicated machinery, everything would be

going along fine, until all of a sudden, the magnificent answer to all modern needs found something in disfavor and then there was a sudden groan as if to say, "I don't need to take this from you or anyone else."

There comes, from all this, a certain consolation.

Despite the computers, the numbers game, the credit cards, the zip codes, etc., the humane element is still needed.

For when a problem arose, the ballots were hand counted, thus assuring that a proper vote would be recorded for all candidates.

From the time of the early returns, shortly before 9 p.m. to the end, the computer blinked, sorted, clanked, jumped, and did everything it was supposed to, until it found something that wasn't just perfect.

Then the human element took over.

About midnight, a woman called the town clerk's office asking for final results.

Informed they were not complete as yet, she replied, "I thought we were living in the computer age?"

Yes, we are, but thank goodness, that massive piece of machinery, still needs a human touch.

None of us is perfect.

**INSURANCE**

(Continued from Page One)

check for \$5,000 for the Andover Firemen's Relief fund, with an accompanying letter, expressing the appreciation of the firm for the efforts of Andover, North Andover and Lawrence firefighters.

The letter to Chief Hilton reads:

"The night of February 25 will be etched in the minds of The Andover Companies for a long time to come. Foremost among our recollections will be the outstanding job done by The Andover Fire Department, supported by the North Andover, Lawrence and Tewksbury departments, in coping with the serious fire at our home office building.

"Considering the location of the fire between the third floor ceiling and the slate roof, the sub-zero temperature, and winds up to forty miles an hour, it is a miracle that you were able to confine the fire to the third floor of the South and Central sections of our building. Your men also saved many items of damageable equipment by the judicious use of tarpaulins.

"Since most of the damage in other areas was confined to smoke and water it was possible for us to utilize the remainder of our building and open for business only three working days later.

"As an expression of our gratitude for your intelligent and energetic handling of this very difficult fire I am enclosing a check in the amount of \$5,000 which we would like to contribute to the Andover Firemen's Relief Association.

"We hope we will not have to call upon you again, but if we do, it will be with complete confidence that our interests will be protected in every way possible."

## Visit Barron's For Your New Lawn Equipment

It's getting about that time again - to be thinking about your lawn and garden care for the coming season. If your old equipment needs to be replaced or if you want to move up to a larger model, visit Barron Oil Corp., at 3 Massachusetts Avenue, North Andover, just off Rte. 495, across from Bob White's.

Barron Oil Corp. has a most complete line of lawn and garden tractors by Allis Chalmers, to handle any job, any season. They carry rotary mowers up to 48-inch and walk-behind snow throwers in 21 to 26-inch sizes. And they're all backed by Barron's solid, dependable service.

Right now, Barron Oil Corp. is

offering a special pre-season sale on a top quality Allis Chalmers tractor. A 7 H.P. tractor, with 36-inch mower, regularly \$660 for the tractor and \$154 for the mower, making a total list price of \$814 plus tax, is now being offered for only \$649.95 complete. This tractor has a synchro balanced 12-volt electric start motor, turf saver tires, arm rest, back rest on the seat... plus a 3-blade rotary mower with 36-inch cut all for only \$649.95. Stop in at Barron Oil Corp. soon and see this powerful 7 H.P. tractor, made by Allis Chalmers, a name you know and respect in the tractor field. You'll find extra safety and performance built into every rotary mower from Allis Chalmers.

Everything from a rear mounted engine that lets you mow under low hanging branches to wind tunnel design that sets up grass for a clean, even cut. There are six rotaries to choose from, hand or self propelled.

Barron Oil Corp. also features a full line of Ski Doo's, as well as snow throwers in 4, 6 and 7 H.P. models. Barron offers sales and service on fuel oil, and installs and services complete heating systems.

Stop in any time Monday through Saturday from 8 to 5, or Tuesday or Friday evening until 9. Barron Oil Corp. will be glad to answer your questions and give you a demonstration.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by ANDREW A. SHERRARD, of Boston, Suffolk County, Massachusetts, and SAMUEL SHACTMAN, of Brookline, Norfolk County, Massachusetts, Trustees of Andover Realty Trust, a Declaration of Trust dated May 15, 1965, and recorded with Essex North District Registry of Deeds, Book 1037, Page 277, dated July 1, 1965, and recorded with Essex North District Registry of Deeds, Book 1037, Page 288, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at 11 o'clock a.m. on the 31st day of March, 1970, on the premises hereinafter described all and singular the premises described in said mortgage, therein described as follows:

"A certain parcel of land, with the buildings thereon, situated in that part of said Andover known as Shawsheen Village, substantially bounded and described as follows:

Beginning at a point ninety-four feet SOUTHERLY from a copper bolt marking the Southwest corner of land now or formerly of one Harig in the walk on the EAST-ERLY side of Main Street in said Shawsheen Village; thence running SOUTHERLY by the Easterly line of Main Street, two hundred forty-five and 8/10 (245.8) feet; thence

EASTERLY by land now or formerly of Jenney Manufacturing Company and/or Claude P. Woodworth, one hundred eighty-seven and 2/10 (187.2) feet; thence

NORTHERLY a little EASTERLY by a wall one hundred twenty-nine (129) feet to a corner in said wall; thence

NORTHERLY one hundred twenty-eight and 7/10 (128.7) feet by land now or formerly of one Sehovich; thence

NORTHWESTERLY fifty-one (51) feet; thence

SOUTHWESTERLY twenty-one (21) feet; thence

WESTERLY one hundred seventy-one and 5/10 (171.5) feet to the point of beginning.

Containing 52,568 square feet, more or less.

Together with the Manor Building thereon and the so-called Dormitory.

For title see deed of Shawsheen Manor, Inc. to the mortgagee to be duly recorded herewith.

Said premises are conveyed subject to a first mortgage held by the Essex Savings Bank on which there is approximately due the amount of \$137,483.27, which mortgage is duly recorded in Essex North District Registry of Deeds.

Also another certain parcel of land, with the building thereon, situated in Andover, Essex County, Massachusetts, on the Westerly side of Riverina Road, and bounded and described as follows:

EASTERLY by said Riverina Road, one hundred twenty-eight and 2/10 (128.2) feet;

SOUTHERLY by land now or formerly of the American Woolen Company, forty-six and 1/10 (46.1) feet;

WESTERLY by land now or formerly of Joseph DeAcutis, one hundred twenty-eight and 7/10 (128.7) feet; and

NORTHERLY by other land now or formerly of the American Woolen Company, seventy-six (76) feet.

For title see deed of George J. Colantino to us to be duly recorded herewith.

Said premises are conveyed subject to a first mortgage held by the Essex Savings Bank duly recorded in said Deeds in the amount of \$137,483.27 due on principal.

In the event that any first mortgagee on said premises does not collect one-twelfth the taxes monthly to be applied to the payment of the annual municipal taxes due on said premises, then the mortgagees and their successors in title agree to deposit with the second mortgagee on each monthly interest day, in equal payments, such sums of money as will amount on October 15th of each year to the sum total of the real estate taxes for that year to be applied by the holder hereof to the payment of said taxes, said monthly installments to be estimated on the basis of the preceding year's taxes.

Also, insofar as the same are, or can by agreement of the parties be made, a part of the realty, all of the following articles now or hereafter on the above described premises or used therewith: Portable or sectional buildings; bathroom, plumbing, heating, lighting, refrigerating, ice making, ventilating and air conditioning apparatus and equipment; garbage incinerators and receptacles; elevators and elevator machinery; boilers; stoves; tanks; motors; sprinkler and fire extinguishing systems; door bell and alarm systems; window shades; screens; awnings; screen doors; storm and other detachable windows and doors; mantels; built-in cases, counters, closets, chests of drawers and mirrors; trees, hardy shrubs and perennial flowers; and other fixtures whether or not included in the foregoing enumeration."

Said premises will be sold subject to two (2) mortgages to Essex Savings Bank, both dated June 26, 1956, and recorded with Essex Registry of Deeds North District, Book 836, Page 96, and in Book 836, Page 100, respectively, upon which there is presently due a balance of \$96,650.10, and also, subject to all unpaid taxes, tax titles, municipal liens and assessments, if any.

Terms of sale Twenty-five Thousand (\$25,000) Dollars, to be paid in cash or certified check by the purchaser at the time and place of sale, balance in fifteen (15) days. Other terms to be announced at the sale.

Signed,  
GEORGE J. COLANTINO  
by B. ROBERT LEVIN,  
Attorney-in-fact  
March 5-12-19

BOARD OF HEALTH  
AMENDMENTS TO CHAPTER IV  
- HORSE STABLING  
REGULATIONS

The following amendments to Chapter IV Horse Stabling Regulations were adopted at a meeting of the Board of Health held on February 23, 1970 upon a motion duly made and seconded:

Section 4, Add - "After approval from the Board of Health, a building permit from the Bldg. Inspector must be obtained."

Section 5b. Changed to read: "Each stall in the stable shall be provided with adequate drainage so as to remain dry and clean, in a manner satisfactory to the Board of Health."

Section 5d. Add - "and not allowed to accumulate in corrals or other areas on the property."

Section 5e. First sentence changed to read: "Manure shall be stored in closed containers or in a pit below ground or may be spread and plowed under within a reasonable time."

Section 5h. Changed to read: "Floors shall consist of any material acceptable to the Board of Health such as a thin layer of sand and clay over a gravel base or crushed stone."

Section 7. Changed to read "A permit may be revoked within 10 days of written notice or temporarily suspended by the Board of Health upon violation by the holder of any of the provisions of these regulations."

Those persons already possessing permits need comply with all regulations except Section 1, 2, 3, and 5k. All other regulations must be complied with by January 1, 1972.

# GOOD JOBS NOW!!!

Why wait? Our continued growth and rapid expansion can provide  
the job you've been looking for - and, we can offer it now.

Compugraphic, involved in the assembly and manufacture of uni-  
que computer photo typesetting systems, is located just 3 miles  
North of Route 128 (off Route 93, Exit 26). We are the growth  
leader in the development and manufacture of computers and photo  
typesetting equipment for the printing and graphic arts industry.

## WIRERS & SOLDERERS

Some previous experience is required to wire and solder harnesses to  
racks to form the basic block of our computer. Work does NOT involve the  
use of a microscope or magnifying glass.

## HARNES & CABLE MAKER TRAINEES

To layout and tie wires. These training openings are an excellent oppor-  
tunity for someone who wants to work in electronics but has no previous  
experience.

## PRINTED CIRCUIT CARD ASSEMBLY TRAINEES

This is light bench assembly of printed circuit boards. The atmosphere is  
congenial and the work is simple. You'll no doubt, find one of your neigh-  
bors working here with us. These are ideal positions for housewives with  
children now in school.

## TEST TECHNICIANS

Test and troubleshoot our unique computer typesetting equipment; printed  
circuit cards, power supplies, wired racks and completed units. Male and  
female TRAINEES with electronic aptitude will be considered.

## PRINTED CIRCUIT FABRICATION TRAINEES

Involves silk screening, plating and general fabrication of printed circuit  
cards. Interest in photography helpful.

## MECHANICAL & ELECTROMECHANICAL ASSEMBLY TRAINEES

Assemble electronic and mechanical systems and parts. Will also be in-  
volved with assembly of optical systems and parts.

## OTHER OPENINGS INCLUDE

EXPEDITER  
STOCK CLERKS (Some exp.)  
EXPORT ORDER CLERK  
COMMERCIAL ARTISTS (To design typefaces)

**FIRE DAMAGE.** The rear portion of the Andover Companies building in Shawsheen is shown last Thursday morning after fire ripped through the third floor and attic section shortly before 2 a.m. The hook of a crane is seen removing some of the fire damaged girders and other equipment from the ice-encrusted building.

## Firm To Restore Damaged Area

The Andover Companies, 305 North Main St., which suffered severe damage to the third floor of the center of their building in an early morning fire Thursday, Feb. 26, were moving ahead this week, planning repairs to the affected area.

A company spokesman said this week, that all materials necessary to put the building back in its original condition following the half-million dollar blaze, were on order. Reconstruction of the damaged areas will be expedited as quickly as possible he said.

Andover fire crews were called to the scene when an alarm detector in the building sounded at the Central fire station at 1:45 a.m. Thursday. Deputy Fire Chief Walter Winward called for a second alarm shortly thereafter and a third alarm, bringing crews from Lawrence, North Andover and Tewksbury directly to the scene came in about 2:15 a.m. on order of Fire Chief Henry L. Hilton.

Firefighters were hampered at the scene by subfreezing temperatures and difficulty in getting water through the lines under the freezing conditions.

Water was drafted from the nearby Shawsheen river in order to play on the scene.

It was one of the worst fires in Andover's recent history.

The town's latest piece of fire apparatus, the snorkel, aerial piece, was used for the first time. Although not accepted by the town as yet, the apparatus was brought down from the West Andover station and put into service to battle the stubborn blaze.

Flames shot high into the air for several hours, and firemen remained at the scene almost through the day Friday mopping up and insuring that all embers were completely extinguished.

The insurance firm officials were high in the praise for the fire fighting units for having been able to confine the fire and severe damage to the third floor and attic area of the center building, an addition which was built about 12 years ago.

Chief Hilton declared the blaze under control about 4 a.m., although crews remained at the scene for several hours afterward. The entire Andover force was at the scene and worked under the

direction of Chief Hilton, Deputies Winward, Albert Cole, William Downs and Harold Hayes.

Cause of the blaze is still undetermined, according to Chief Hilton, who investigated with assistance from the state fire marshal's office.

Chief Hilton said the cause will probably have to remain as undetermined, since a thorough investigation of the entire damaged area could not prove anything. "We know where it started, the third floor, but we just can't come up with how or where the fire got its start."

### High Praise

Company officials were high in their praise of the firefighters, noting that their quick work and salvage and protective operations, allowed the firm to begin full operations within 36 hours after the last engines left the scene.

Saturday afternoon, the company forwarded 400 claim checks to clients throughout the country and by Monday all personnel were back on the job.

An original figure of million dollar loss was doubted by the company official, who said that the severe damage was confined to only one-sixth of the building. To Match Area

The fire ravaged area will be matched exactly as it was when repairs are complete.

The addition was erected 12 years ago and architectural plans were still available. Monday, company officials placed orders for the steel and other materials, in order to match the building area exactly as it was prior to the fire.

A crane was at the scene early this week removing the structural steel which was damaged and other articles.

All of the material is on order. An exact date as to when construction can begin was uncertain at this time.

Some records were lost in the fire but a very minimal amount, the company official said. Speaking in approximate figures, he said probably in the vicinity of 20 per cent.

Firemen covered many of the metal cabinets protecting them from water damage. Other steel cabinets also protected the policies, some of which were scorched, however, by the heat

of the intense blaze.

The company was able to make Xerox copies of these, thus restoring them to an almost original condition and maintaining proper records.

Under the mutual aid system between communities, in addition to those companies reporting directly to the scene, companies filled in at Andover stations from North Reading, Wilmington and Methuen.

### NEW BOARDS

(Continued from Page One)

Monday, seconded the motion by Collins for Selectman William Stewart to continue as secretary to the board.

Selectman Collins was re-elected vice-chairman on motion of White, seconded by Stewart.

Dr. Richard A. Katz, re-elected to a second three-year term on the school committee Monday, was re-elected chairman of the school board.

Francis J. Hill, Jr., elected Monday was in attendance at his first committee meeting.
